Go Newsletter

Issue 51 — March 26, 2015

FEATURED

[Golang UK Conference \(August 21 in London, UK\)](#)

It seems there's a new Go conference on the scene this summer. There's a [call for speakers](#) open until the end of May if you want to speak.

GOLANGUK.COM

[The State of Go in 2015 with Andrew Gerrand](#) PODCAST

Core team member Andrew Gerrand is featured in an 80 minute podcast interview with The Changelog talking about the state of Go and what's coming in 1.5 and 1.6.

THE CHANGELOG

[The first ops platform for developers](#)

When an error happens, Opbeat will show you the code that is breaking, who wrote it, and how it is affecting performance. Experimental Go support. *Go newsletter readers get \$100 credit.*

OPBEAT SPONSORED

[\(Text\) Interview with Go's Russ Cox and Sameer Ajmani](#)

"The most important thing I learned is that a successful programming language is about far more than the language itself."

THE PL ENTHUSIAST

[ASCII Table Writer: Generate ASCII-drawn Tables](#) CODE

Quite flexible, automatically pads, supports multiple line entries, alignments, custom separators, and more. Ideal to present tabular info in a CLI situation.

OLEKU KONKO

[Why Go's Design Is A Disservice to Intelligent Programmers](#) OPINION

Very opinionated. Sparked [much discussion](#) on Hacker News. (*Note: Inclusion is not endorsement.*)

GARY WILLOUGHBY

IN BRIEF

GopherCon 2015 CFP Open till March 31 NEWS

The conference itself takes place in Denver, CO over July 7-10.
