## Go Newsletter

Issue 68 — July 23, 2015

### FEATURED

#### Bosun: An Open Source Monitoring and Alerting System

The folks at Stack Exchange (best known for Stack Overflow) have built a time series alerting framework in Go. It includes a data collector (Scollector) and lets you define alerts with a custom DSL.

*STACK EXCHANGE*

#### Embedding Lua in Go

A look at the practicalities of embedding a flexible, tried-and-tested scripting language into a Go app.

*NILS LAGERKVIST*

#### Go on Mobile

A slidedeck looking at Go's increasing support for developing for mobile platforms. There are two approaches: write the whole app in Go, or use Go behind the typical Java or Objective C front-end.

*HANA KIM*

#### VividCortex - the New Face of Database Monitoring

VividCortex is smart database monitoring built for the modern data system. It goes beyond charts and graphs to measure the work being done by your system, saving you time and money while enabling you to delight customers. Our site is also full of free resources on MySQL, coding in Go and more.

*VIVID CORTEX* **SPONSORED**

VividCortex

#### A Code Galaxies Visualization of Go Packages

Essentially a 3D graph of 182,215 Go packages and their relationships. It's beautiful, that's for sure.

*ANDREI KASHCHA*

#### Go 1.5 Beta 2 Released **NEWS**

*ANDREW GERRAND*

#### dotGO: The European Go conference (November 9, Paris) **NEWS**

The speaker list is of a high caliber and includes folks like Rob Pike, Kelsey Hightower, and Verónica López, with Blake Mizerany as 'conference MC'.

*DOTGO*

### JOBS

#### Go Developer at Namely (New York, NY)

Namely is an agile startup building an end-to-end HR platform for businesses of all sizes. We're looking for a skilled Go developer to contribute ideas, innovation, solutions and code to our product.

*NAMELY*

#### Want to work on new projects? Make more money? Try a new stack? Relocate?

On Hired, we'll bring the options to you. With over 2,000 pre-screened tech companies in 10 cities in the US UK, you'll be sure to find what you're looking for. Join Hired today.
